Referral Incentive Program

Effective for the 2017 - 2018 School Year

GCS reserves the right to change any and all information

We are excited to offer our existing families a wonderful opportunity to lower their monthly tuition costs for one full school year by simply referring a new student to our school. The referring family will receive a tuition discount of \$300 to be paid out over the course of the school year as determined by the administration.

Limitations & Restrictions:

- The term 'new student' is defined as one without any other siblings currently enrolled in Kindergarten – 8th grade at our school.
- The new student must fully complete the enrollment process and be paying full tuition without any tuition assistance.
- This offer is limited to two new student referrals per school year per referring family.
- The Referral Incentive Program is limited to a total of 10 new students on a first come first served basis.
- In order to qualify for the discount, the referring family must have one or more children enrolled in our school paying full tuition.
- This offer is subject to enrollment restrictions, as in the case of a class size not being able to accommodate the new student(s) being referred.
- Tuition discounts for the referring family may not exceed the total tuition paid by that family.
- Tuition discounts are only valid for the first year the new student enrolls in our school.
